

March 1<sup>st</sup>, 2005

Mr. Peter Stalham  
The Box Maker, Inc.  
6412 South 190<sup>th</sup> Street,  
Kent, WA 98032

Dear Mr. Stalham:

*Our statement of compliance with legislation on heavy metals in packaging that is now in effect in several states is below. If you have any questions, please feel free to contact me.*

### **CERTIFICATE OF COMPLIANCE**

*Sheets Unlimited hereby certifies that the corrugated sheets supplied to the above named company do not contain lead, cadmium, mercury, or hexavalent chromium that has been intentionally introduced during manufacturing or distribution of said corrugated sheets or sheet component.*

*Should incidental levels of lead, cadmium, mercury and hexavalent chromium be present, these levels conform with allowable limits prescribed by all federal, state and local laws and regulations (less than 100ppm).*

*Tests have been conducted using accepted scientific methods and such data will be made available to the above named company upon request.*
